Managing Food Allergies in Schools: A Training Program

A PowerPoint® slide presentation and materials to help you:

- teach school personnel about life threatening food allergies
- develop policies to prevent and manage food allergy emergencies
- develop Individual Health Care Plans for children at risk for anaphylaxis
- increase awareness of food allergies in the school community

Topics include:

- Overview of food allergies and anaphylaxis symptoms
- Avoiding exposures to a food in classrooms, cafeteria, on field trips, school bus, and more
- How to read food labels
- How to plan for an emergency

Package contains:

- 27 PowerPoint® slides on a CD
(can be converted to overheads)
- Reproducible hand-outs

PRICE: \$25.00 plus \$2.00 shipping
